* Green Energy Champion program supplies are specifically purchased from individual suppliers. Non-renewable resources reflect actual power purchases.

** Percentages are estimated annually by the California Energy Commission based on the electricity sold to California consumers during the previous year.

*** Purchases for which no fuel source records were given.

For specific information about this electricity product, contact Burbank Water and Power. For general information about the Power Content Label, contact the California Energy Commission at 1-800-555-7794 or www.energy.ca.gov/consumer.
