a. KOP-1: Existing Fruitland Avenue residential area view toward the proposed Vernon Power Plant site - looking west along Fruitland Avenue from just west of the westernmost house east of Alcoa Avenue in the City of Vernon.

Note: The existing former Alocoa aluminum plant on the site will be removed prior to transfer of the parcel to the City of Vernon.

b. KOP-1: Simulation of Fruitland Avenue residential area view - looking west toward the proposed Vernon Power Plant (after construction).
