Dear Mr. Hibbeler:

PROJECT DESCRIPTION AND LOCATION: Proposed development of a Community Power Plant for the Kings River Conservation District.

APN: 358-031-33.

The Fresno County Department of Community Health, Environmental Health Division has received your request for any publicly available health studies, which relate to potentially affected populations within a 6-mile radius of the Kings River Conservation District Community Power Plant. A review of our departmental records indicates that there are no known studies that meet your requested criteria available at this time.

If further assistance is required, please contact me at (559) 445-3357.

Respectfully,

Glenn Allen, Environmental Health Specialist III
