Subject: Public comment

I have attached my public comment per the request of the public advisors office.

Scripps Ranch 3.7 miles from the proposed abomination, the Quail Brush Generation Project in Mission Trails Regional Park. (Cedar Fire 2003)
http://interwork.sdsu.edu/fire/photo_gallery/FireFightingPhotos.htm

Siting a gas power plant in a severe fire risk zone is as stupid as building the Fukushima power plant on an earthquake fault.

MIke Walker, Santee, CA 92071
