Public Comment regarding the proposed Quail Brush Generation Project

I would like to make the following written comment. I understand that my comments will be docketed and may be posted on the Energy Commission's website and be available to the public.

I OPPOSE THE QUAIL BRUSH GENERATION PROJECT FOR THE FOLLOWING REASONS THAT CANNOT BE MITIGATED BY THE APPLICANT: (1) TOXIC AIR EMISSIONS HARMFUL TO PUBLIC HEALTH AND PLANT & ANIMAL SPECIES; HABITAT LOSS FOR ENDANGERED SPECIES; NOISE AND VISUAL IMPACTS TO USERS OF MISSION TRAILS REGIONAL PARK (MTRP); LOWER WATER QUALITY ENTERING SAN DIEGO RIVER; BIG FIRE RISK IN A HIGH FIRE DANGER AREA; INDUSTRIAL LAND USE INCOMPATIBLE WITH SURROUNDING OPEN SPACE, PARK, SCHOOLS, AND SINGLE-FAMILY RESIDENTIAL DESIGNATIONS; AND PEOPLE ARE NOT GOING TO VISIT A PARK WITH A TOXIC AND VISUALLY INTRUSIVE POWER PLANT IN THE MIDDLE OF IT.
