is a Trade Association. We request that the Executive Director of the California Energy Commission (“CEC”):

- (A) determine that (Insert name of entity here) is a Trade Association and publishes a directory that meets the criteria for being an approved paper or electronic directory in Section 1606(h) of Title 20 of the California Code of Regulations; and
- (B) the published directory is an Approved Trade Association Directory.

(2)

(Insert name of entity here)

:

- (A) is a trade association;
- (B) publishes a paper or electronic directory;
- (C) is designated, under Sections 1602(a) and 1603(b) of Title 20 of the California Code of Regulations, as an *Approved Industry Certification Program* for each appliance listed in the directory;
- (D) states that all applicable requirements of Section 1606(f) of Title 20 of the California Code of Regulations for third party submittals are met for the directory.

(3)

(Insert name of entity here)

:

agrees to submit to the Executive Director:

- (A) all of the information in the directory, within three working days of the approval of the directory;
- (B) all of the information in the directory that has changed since the previous submittal, at the end of each month during which there has been any change.

## Request to the Energy Commission for Designation as Approved Trade Association Directory

(4)

states that for each appliance that is listed in a trade association directory, the directory includes all of the following information, where applicable to the appliance:

manufacturer;  
brand;  
model number as it appears on the appliance;  
type;  
fuel type;  
voltage;  
electrical phase;  
capacity or other size measurement input;  
output;  
standby consumption, loss, or other similar measurement; and  
energy efficiency, energy consumption, water efficiency, or  
water consumption.

(5)

(Insert name of entity here)

states that the directory *contains no appliance* in the following categories:

- (A) an appliance that fails to meet an applicable energy efficiency, energy consumption, energy design, water efficiency, or water consumption standard established in or pursuant to NAECA or EPCAct;
- (B) an appliance for which the manufacturer has stated or certified that the appliance meets an energy efficiency, energy consumption, energy design, water efficiency, or water consumption standard not applicable to it; or
- (C) an appliance that does not, or an appliance whose manufacturer does not, meet an applicable requirement of this Article, unless the directory states, in a format approved by the Executive Director (including without limitation font, type size, and placement in the directory), that it is illegal in California to sell the appliance or offer it for sale.

(6)

(Insert name of entity here)

states that each paper or electronic directory contains the following statement, in at least 20 point bolded type and on the front cover or first page, or in another format and with other characteristics as specified by the Executive Director:

"This directory [insert parts if appropriate] has been approved by the California Energy Commission (Commission) for determining compliance with its appliance efficiency regulations (Title 20, California Code of Regulations, Sections 1601-1608) and its building standards (Title 24, California Code of Regulations, Part 6). UNLESS INDICATED OTHERWISE, any appliance listed in this directory [insert parts if

agrees that at the end of each calendar quarter, the trade association will mail, at no cost to recipients, a paper copy of the current directory or supplement or part thereof to the Executive Director and to all California building officials as specified by the Executive Director, and will provide to the Executive Director a list of the building officials to whom the directory or supplement was sent.

(8) I declare, under penalty of perjury of the laws of the State of California, that to the best of my knowledge and belief:

- (A) the information in the directory is the same as the information submitted by manufacturers to the trade association;
- (B) all the information in this Request is true, complete, accurate, and in compliance with all applicable provisions of Sections 1601 - 1608 of title 20 of the California Code of Regulations;
- (C) that each appliance in the directory complies with the applicable standards in Section 1605.1 of Title 20 of the California Code of Regulations;
- (D) that for any appliance in the directory for which there is a standard in Section 1605.3 of Title 20 of the California Code of Regulations, that the appliance meets all applicable standards unless the directory states, in a format approved by the Executive Director (including without limitation font, type size, and placement in the directory), that it is illegal in California to sell the appliance or offer it for sale;
- (E) if this Request is being filed electronically, the applicable requirements of Section 1606(g) have been and are being met; and
- (F) I am authorized to make this declaration, and to file this application, on behalf of:
