

**California Energy Commission
Joint Transportation and IEPR Committee Workshop**

**Transportation Fuel Infrastructure Issues
April 14-15, 2009**

**AGENDA
(Day 1, 9 a.m. – 6 p.m.)**

Introduction

Suzanne Korosec, IEPR Lead

Opening Comments

Commissioner Jeff Byron, Presiding Member of IEPR

Vice Chair Jim Boyd, Associate Member of IEPR and Presiding Member of
Transportation Committee

Chairman Karen Douglas, Associate Member of Transportation Committee

Infrastructure & Demand Integration Overview – Staff

Marine Terminals

Overview of Import Forecast Methods – Staff

Transportation Fuels Infrastructure Issues – Joe Sparano/WSPA

PADD 5 Supply, Demand and Infrastructure Overview – Tom O'Connor/ICF

MOTEMS Overview – Martin Eskijian/State Lands Commission

Renewable Fuel Imports Issues – Robert Jagunich/Biofuels Logistics

Ethanol Waterborne Imports – Rahul Iyer/Prima Fuels

Renewable Fuels, Biorefineries, and Distribution Terminals

Overview of Renewable Fuels Forecast Methods – Staff

RFS Overview & Industry Obligations – John Braeutigam/Valero

Ethanol Blend Limit Fuel Issues – John Braeutigam/Valero

Ethanol Blend Limit Automotive Issues – Jim Frusti/Chrysler

Renewable Fuels Industry Outlook – Brooke Coleman/New Fuels Alliance

RFS 2 Status – Paul Argyropoulos/U.S. EPA

Distribution Terminal Survey Status – Staff

Ethanol Blending - Common Carrier Plans – Russ Kinzig/Kinder Morgan

Ethanol & Renewable Pipeline Projects – Ed Hahn/Kinder Morgan

Retail Fueling and Recharging Infrastructure

Overview of Issues – Staff

Retail Stations & Renewable Fuels – Jeff Stephens/Propel Biofuels

E85 Fuel Ethanol Retail Issues – Gary Castro/CDFR, W&M

Biodiesel Fuel Quality Issues – Allan Morrison/CDFR, W&M

NG Vehicles Network Deployment – Mike Eaves/Clean Energy Fuels

Recharging Infrastructure – Chelsea Sexton/Lightning Rod Foundation

Recharging Profile & Rate Issues – Robert Graham/SCE

Imperative for Hydrogen Infrastructure – Michael Coates/Mightycomm

Hydrogen Retail Infrastructure – John Mough/CDFR, W&M

Enhanced Vapor Recovery – Jay McKeeman/CIOMA

Public Comment

Adjourn

**California Energy Commission
Joint Transportation and IEPR Committee Workshop**

**Transportation Fuel Infrastructure Issues
April 14-15, 2009**

**AGENDA
(Day 2, 8:30 a.m. – 12 p.m.)**

Introduction

Suzanne Korosec, IEPR Lead

Opening Comments

Commissioner Jeff Byron, Presiding Member of IEPR
Vice Chair Jim Boyd, Associate Member of IEPR and Presiding Member of
Transportation Committee
Chairman Karen Douglas, Associate Member of Transportation Committee
