

Independent Science Advisors to DRECP

Wayne Spencer (Lead Scientist and Science Facilitator to DRECP)
Conservation Biology Institute; Corvallis, OR
(Specialty: Wildlife conservation biology, reserve design, mammals)

Scott Abella, Assistant Research Professor
School of Environmental and Public Affairs, University of Nevada, Las Vegas
(Specialty: Restoration ecology)

Cameron Barrows, Research Ecologist and Coordinator of Desert Studies Institute of Center for Conservation Biology
University of California Riverside – Palm Desert Campus; Palm Desert, CA
(Specialty: Desert ecology, reptiles, risk assessment)

Kristin Berry, Supervisory Research Wildlife Biologist
USGS Box Springs Field Station; Riverside, CA
(Specialty: Desert wildlife ecology, tortoise, Mohave ground squirrel (and more))

Todd Esque, Ecologist
US Geological Survey, Western Ecological Research Center
Las Vegas Field Station; Henderson, NV
(Specialty: Desert community ecology, vegetation, fire, invasive species, desert tortoise)

Kimball Garrett, Ornithology Collections Manager
Natural History Museum of Los Angeles County; Los Angeles, CA
(Specialty: Birds)

Chrissy Howell, Senior Conservation Scientist
PRBO Conservation Science, San Francisco Bay Research Center; Petaluma, CA
(Specialty: Spatial analyses, GIS, predictive modeling, bird ecology)

Robin Kobaly, Executive Director
The SummerTree Institute; Morongo Valley, CA
(Specialty: Botany & plant ecology)

Reed Noss
Conservation Science, Inc.; Chuluota, FL
(Specialty: General conservation biology, reserve design)

Richard Redak
Department of Entomology
University of California, Riverside; Riverside, CA
(Specialty: Invertebrates)

Robert Webb, Hydrologist
U.S. Geological Survey; Tucson, AZ
(Specialty: Desert disturbance & recovery processes)

Ted Weller, Ecologist
USDA Forest Service, PSW, Redwood Sciences Lab; McKinleyville, CA
(Specialty: Bats and wind turbines)
