

## **AGENDA ITEM NO. 8**

### **ABENGOA MOJAVE SOLAR PROJECT**

Consideration and possible adoption of the Committee's Presiding Member's Proposed Decision on the ABENGOA MOJAVE SOLAR PROJECT (AMS) (Docket No. 09-AFC-5), and Errata. The Committee issued its Presiding Member's Proposed Decision (PMPD) on August 6, 2010.

The AMS site will occupy a 1,765-acre site in an unincorporated area of San Bernardino County near the community of Hinkley, California. The project will have a combined nominal electric output of 250 MW from twin, independently operable solar fields.

The PMPD contains the Committee's rationale in determining that the proposed project will, as mitigated, have no significant impacts on the environment and will comply with all applicable laws, ordinances, regulations, and standards (LORS).
