

- **Possible approval of Amendment 1 to Agreement CBG-09-183 with the City of South Pasadena to change the scope of work. The original project scope included traffic signal upgrades and HVAC replacements. The revised scope of work has been changed to upgrades to City Hall to include: a cool roof system, wall insulation, HVAC equipment, ducting modifications, temperature sensors and controls and the retrofit of incandescent pedestrian signals to LED pedestrian signals. The revised project scope meets all EECBG program requirements and the grant total amount of \$136,878 remains unchanged. Chris Scott, Associate Energy Specialist, can be reached at 654-4719.**
