**Docket No. 11-AFC-03**

**NOTICE OF BUSINESS MEETING AGENDA ITEM TO CONSIDER CHANGE IN  
COMMITTEE COMPOSITION**

To the parties and other persons interested in the above proceeding:

**PLEASE TAKE NOTICE THAT**, on May 31, 2012, during its Business Meeting, the California Energy Commission may consider and take action to change the composition of the Committee previously appointed to conduct proceedings in this matter.

**BACKGROUND:** At the time the Committee for the Quail Brush Generation Project was appointed, there were two vacancies on the Energy Commission. Since that time, one of the vacancies has been filled through the appointment of Andrew McAllister to the Commission. In order to equalize commissioner workloads, committee appointments are being adjusted to shift some appointments to Commissioner McAllister.

Discussion and possible action to change the composition of the Committee for this matter will take place during the following item on the Business Meeting agenda:

ENERGY COMMISSION COMMITTEE APPOINTMENTS. Possible approval of appointments to the Energy Commission's Standing Committees and Siting Case Committees.
