Re: Cure and Correct Demand Letter from Mr. Landwehr dated May 15, 2013

Honorable Mayor and Council Members and Honorable Board of SCLAA:

As you are aware, Mr. Landwehr previously submitted a demand letter to the City of Victorville (the "City") implying that the City and the Southern California Logistics Airport Authority (the "Authority") had in some fashion violated The Brown Act.

Our office has thoroughly reviewed Mr. Landwehr's allegations, as well as the actual facts and circumstances relating to those allegations. Based on this review and subsequent examination of the applicable provisions of The Brown Act and related case law, we have determined accordingly that Mr. Landwehr's alleged "perceived Brown Act violations" are without any merit and that no action to cure and correct is required.

If you have any questions or comments, please feel free to contact me.

Very truly yours,

GREEN de BORTNOWSKY & QUINTANILLA, LLP
