SUBJECT: Docket No. 97-AFC-2C  
Petition for Change of Ownership

On May 23, 2013, we submitted a Petition for Change of Ownership in the above-listed Docket.

The Petition identified the project as the Sutter Power Plant, the name under which the project was originally licensed. However, since 2001 the project has been known as the Sutter Energy Center.

Therefore, I am writing to update the Petition for Change of Ownership, to make clear that the Petition refers to the Sutter Energy Center, formerly known as the Sutter Power Plant. We would request that the Commission's consideration of the Petition for Change of Ownership also formally acknowledge, and if necessary, approve the change of name of this facility from the Sutter Power Plant to the Sutter Energy Center.

Thank you for the opportunity to update and clarify the Petition and for your consideration of this information.

Sincerely,

Gregg Wheatland
