AGENDA ITEM SUBJECT AND DESCRIPTION – This is the wording that will appear on the agenda. Please note the following:

(Expenditure items must include the funding source.)

CALPINE KING CITY COGENERATION (85-AFC-5C). Proposed order approving the petition to amend the California Energy Commission Decision to modify various Air Quality Conditions of Certification to allow performance testing/model validation for the combustion turbine, lifting a limit of one startup and shutdown of the turbine per day, and to exempt the gas turbines and auxiliary boilers from short-term emission limits during limited periods for tuning and performance testing without exceeding any quarterly or annual emission limits. Approval of the petition would also document administrative modifications to various conditions, or in some cases changes to conditions that are obsolete or incorrectly numbered Contact: Eric Veerkamp (Staff Presentation:10 minutes).
