

# Oil Price Information Service

## RENEWAL ADDENDUM

This addendum serves to renew California Energy Commission’s OPIS data agreement by adopting the following provisions. All other provisions remain in full force.

**Parties** The parties to this agreement are Oil Price Information Service (OPIS) which provides the OPIS data services worldwide, and California Energy Commission (Customer). The User ID covered by this agreement is 154330.

**Term** The renewal term of this agreement is January 1, 2015 through December 31, 2015.

**Flat Rate** The Customer will be invoiced \$90,911.00 per annum, plus applicable U.S. sales tax for January 1, 2015 through December 31, 2015.

OPIS reserves the right to adjust the flat rate if additional information or access (Users) is added to the data feed covered by this agreement.

*All other terms and conditions of your existing contract will remain in force.*

**Distribution** Oil Price Information Service reserves the right to periodically use technology to monitor the flow of its copyrighted material to insure the integrity of its copyright, which is protected under federal law.
