RESOLUTION - RE: RIALTO UNIFIED SCHOOL DISTRICT

**WHEREAS**, California Energy Commission (Energy Commission) staff proposes that the Energy Commission enter into a \$500,000 grant agreement with Rialto Unified School District, to construct and operate a compressed natural gas fueling station that will serve the school district and surrounding community; and

**WHEREAS**, the Energy Commission finds that the City of Rialto, as the Lead Agency, has conducted an Initial Study for the activities funded by this grant under the California Environmental Quality Act (CEQA) and has adopted a Mitigated Negative Declaration for this project; and

**WHEREAS**, the Energy Commission independently finds that the mitigation measures incorporated into the Mitigated Negative Declaration will prevent the project from having any significant environmental impacts and that those measures are within the jurisdiction of the Lead Agency;

**RESOLVED**, that the Energy Commission approves Agreement ARV-15-010 from PON-14-608 with Rialto Unified School District for a \$500,000 grant to construct and operate a compressed natural gas fueling station that will serve the school district and surrounding community; and

**FURTHER BE IT RESOLVED**, that the Executive Director or his/her designee shall execute the same on behalf of the Energy Commission.

**CERTIFICATION**

The undersigned Secretariat to the Commission does hereby certify that the foregoing is a full, true, and correct copy of a Resolution duly and regularly adopted at a meeting of the California Energy Commission held on November 12, 2015.
