

RESOLUTION NO: _____

STATE OF CALIFORNIA

**STATE ENERGY RESOURCES CONSERVATION AND
DEVELOPMENT COMMISSION**

**RESOLUTION: CERTIFICATION OF THE NONRESIDENTIAL COMPLIANCE
MANUALS FOR THE 2016 BUILDING ENERGY EFFICIENCY STANDARDS**

WHEREAS, the 2016 Building Energy Efficiency Standards relating to nonresidential lighting alterations, amending California Code of Regulations, title 24, parts 6, were adopted by the California Energy Commission on November 12, 2015, with a proposed date of January 1, 2017, and

WHEREAS, the Warren-Alquist Act, in Public Resources Code section 25402.1, subd. (e), requires the Energy Commission to develop updated compliance manuals whenever the Commission adopts updated Building Energy Efficiency Standards, which must contain design and construction suggestions, instructions and other information to assist persons in meeting the standards, including forms, charts and other data; and

WHEREAS, Energy Commission staff has developed new content for the compliance manuals to explain the requirements of the Standards to the people that must comply with and enforce the Standards, conducted an extensive process inviting people with extensive knowledge of the Standards and interest in the updates in the 2016 Standards to review and comment on the updated compliance manuals, and revised the compliance manuals to respond to the comment that was received; and

WHEREAS, the Energy Commission commends the work of its staff, its contractors, and utility sponsors of specific provisions of the Standards, to develop the compliance manuals and revise them to respond to commenters, and commends the commenters for devoting their time to provide valued input to the Energy Commission so that the compliance manuals can be effective in facilitating efficient and successful implementation of the 2016 Standards.

THEREFORE BE IT RESOLVED, that on April 13, 2016, as required by Public Resources Code section 25402.1, subd. (e), the Energy Commission certifies the:

- Nonresidential Compliance Manual and Compliance Documents, Publication Number CEC-400-2015-033, April 2016

used to demonstrate compliance with the 2016 Building Energy Efficiency Standards; and

THEREFORE BE IT FURTHER RESOLVED, that the Energy Commission directs the Executive Director to take, on behalf of the Commission, all actions reasonably necessary to make the above-referenced documents available and in good form, including but not limited to correcting typographical and other non-substantive errors.

CERTIFICATION

The undersigned Secretariat to the Commission does hereby certify that the foregoing is a full, true, and correct copy of a Resolution duly and regularly adopted at a meeting of the California Energy Commission held on April 13, 2016.
