

Climate Adaptation Staff Workshop

California Energy Commission staff will conduct a workshop to present information about the 2012 Climate Adaptation Strategy report process as it relates specifically to the energy sector and to solicit feedback from public stakeholders on strategies and actions to make the energy sector more resilient to the impacts of climate change.

Date: August 6th, 2012

Time: 1 p.m. - 3 p.m.

Place: Hearing Room A

1516 Ninth Street. 1st Floor,
CALIFORNIA ENERGY COMMISSION
Sacramento
