**Bryan Early, Advisor to Andrew McAllister, Commissioner
MEXIREC (Mexico International Renewable Energy Conference) in Mexico City
September 10-14, 2017**

PURPOSE OF THE TRIP:

California Energy Commissioner, Andrew McAllister was invited to participate in the Mexico International Renewable Energy Conference (MEXIREC) taking place at the Expo Santa Fe México, in Mexico City from September 11-13, 2017. **Unfortunately, due to a death in his family he has asked his advisor, Bryan Early to represent him.**

As a California Energy Commission advisor to Commissioner Andrew McAllister, Bryan will be able to represent both the Energy Commission and California at the Conference. The Commissioner was invited to participate at the conference in order to provide California's perspective on the future of energy. His (Bryan's) participation in this event will help further the goals outlined in the CA-MX Energy MOU, signed by Governor Edmund G. Brown, Jr., on June 29, 2014.
