NOTICE OF PROPOSED AWARD (NOPA) Amended

Group 2: Technology Demonstration and Deployment Advancing Water and Energy Efficient Strategies and Technologies in California GFO-15-317 April 20 ~~March 10~~, 2016

On November 20, 2015, the California Energy Commission (Energy Commission) released a competitive solicitation titled “Advancing Water and Energy Efficient Strategies and Technologies in California” under the Electric Program Investment Charge (EPIC). Up to \$15,000,000 of EPIC funding is available to fund applications in the following project groups:

- Group 1: Applied Research and Development: \$4 million
- Group 2: Technology Demonstration and Deployment: \$8 million
- Group 3: Market Facilitation: \$3 million

In the March 10, 2016, NOPA, the Energy Commission increased the amount for Group 2 by \$1,849,515. This NOPA will further add \$1,517,780 to Group 2. Thus, the The Energy Commission subsequently increased the amount available to Group 2 by \$1,849,515 for a total solicitation amount of \$16,849,515 is now \$18,367,295.

This revised NOPA identifies selected projects for Group 2 only. A NOPA for Group 3 was posted on March 3, 2016. Group 1 is currently being scored and it is anticipated that this NOPA will be posted in April 2016.

The Energy Commission received 17 proposals for Group 2 by the due date of February 8, 2016. Each proposal was screened, reviewed, evaluated and scored using the criteria in the solicitation. Nine proposals passed the ~~Stage One~~ Application Screening process.

The attached “Notice of Proposed Awards” identifies each applicant selected and recommended for funding by Energy Commission staff and includes the recommended funding amount and score. The total amount recommended for Group 2 is ~~\$9,849,515~~ \$11,367,295.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement. If the Energy Commission is unable to timely negotiate and execute a funding agreement with an Applicant, the Energy Commission, at its sole discretion, reserves the right to cancel or otherwise modify the pending award, and award the funds to another applicant.

In addition, the Energy Commission reserves the right to: 1) increase or decrease the available funding and the group minimum/maximum award amounts described in the solicitation and 2) negotiate with successful applicants to modify the project scope, schedule, and/or level of funding.

This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission's website at: www.energy.ca.gov/contracts/.
