On April 22, 2009, the California Energy Commission (Energy Commission) released a solicitation entitled “American Recovery and Reinvestment Act of 2009 Cost Share: Alternative and Renewable Fuel and Vehicle Technology Program.” In accordance with the solicitation, the Energy Commission may only issue awards to projects which received federal awards in response to the U.S. Federal Transit Agency’s American Recovery and Reinvestment Act of 2009 (ARRA) Transit Investments for Greenhouse Gas and Energy Reduction funding announcement. Because none of the applicants provided with Letters of Intent were awarded funds by the federal government under the Transit Investments for Greenhouse Gas and Energy Reduction (TIGGER) funding announcement, no awards will be awarded for the TIGGER portion of this solicitation.
