## Addendum 1

## PON-11-601 - Biofuel Production Facilities

January 27, 2012

The purpose of this Addendum is the following:

1. To add additional website information for CEQA
2. The correct Attachment A Grant Proposal Cover Page

**1. The following websites provide helpful information on the CEQA process:**

California Environmental Resources Evaluation System: <http://ceres.ca.gov/ceqa/>  
Interested parties can use the toolbar on the left-hand side of the screen to navigate the website. The supplemental materials provide a useful flow chart of the CEQA process for CEQA "beginners."

Governor's Office of Planning and Research (OPR): <http://opr.ca.gov>.  
The website provides a link to general CEQA information.

The best contact for CEQA is the local lead agency (usually the city or county in which the project will be taking place).
