Page 3 - Eligible Projects

Projects must be located in California and must demonstrate benefits for California. To be eligible for this solicitation, projects must have been awarded (actual, tentative or proposed) federal funding ~~between July 1, 2013 and November 1, 2013~~ **on or before January 21, 2014**. ~~Projects that have previously identified match funding sources in an executed agreement with a federal entity are not eligible for this solicitation.~~ **Funding from this solicitation may not be used to supplant funding already specifically identified and committed to a federally-funded project.**

Page 10 – Project Narrative

**Explanation of how state funds are not being used to supplant funds already specifically-identified and committed to the federally-funded project.**
