Addendum 2
January 16, 2014

Federal Cost-Share for Emerging Technologies

The purpose of this addendum is to replace Attachment 5, Budget Forms due to a calculation error within the budget. On sheet "Attachment B-1 Task Summary" the formula in the Match Funding Column, specifically Tasks 6-20 (rows 10 to 24 under column T) has an error. The error in the formula has been repaired. If you are using the tasks 6-20 and have already completed your budget, please contact me at the email address in my signature block below and I will make every effort to assist you in repairing the formula within your completed budget. If you have submitted a proposal already, you do not need to resubmit them again.
