Facilities

Posted: March 10, 2014

The purpose of this addendum is to replace Attachment 5, Budget Forms due to a locked cell error within the budget. On sheet "Attachment B-3 Prime Labor Rates" the cells J4 and J5 were locked and could not be edited. If you are planning to use these cells and have already completed your budget, please contact me at the email address in my signature block below and I will make every effort assist you by unlocking those cells and returning your budget to you.
