RE: Proposition 39 Citizens Oversight Board Appointments

Proposition 39, passed by the voters in November 2012, established the Clean Energy Job Creation Fund to finance energy efficiency and clean energy projects that provide good-paying jobs for Californians. To ensure the taxpayer money in the Fund is spent in the most cost-effective manner, Proposition 39 has established the Citizens Oversight Board (Board). The Board is comprised of nine members appointed by the State Attorney General, State Treasurer and State Controller (three each), and two ex officio members representing the California Energy Commission and the California Public Utilities Commission.

With great pleasure, I appoint the following individuals to the Board.

- Steven Sakurai, Chief Financial Officer of the Yocha Dehe Wintun Nation and adjunct professor at Sacramento State University, where he teaches a graduate course on sustainable development and green building.
- James "Walkie" Ray, an engineer and partner at Sanderson J. Ray Development, and a member of the boards of directors of the One World One Ocean Foundation, the M.I.N.D. Research Institute and the Taco Bell Discovery Science Center.
- Kate Gordon, Vice President and Director of the Energy and Climate Program for Next Generation, and previously Vice President of the Energy Environment at the Center for American Progress.

Ms. Kamala Harris, Mr. John Chiang, Mr. Weisenmiller, Mr. Peevey

Mr. Sakurai, Mr. Ray and Ms. Gordon will bring a wealth of experience, hard work and dedication to the Board. I'm confident they will provide invaluable contributions as the Board carries out its critical mission.

Sincerely,

BILL LOCKYER
