Energy Expenditure Plan Handbook, Version 3

Chapter 2, Instructions for Energy Expenditure Plan Online: Amending an Approved Energy Expenditure Plan, page 57	Amendments	In the fifth bullet, “decrease in the grant amount requested” has been removed. This is no longer a criteria for an amendment. However, any increase in the grant amount requested if still a criteria for an amendment.
Chapter 3, Instructions for the Utility Data Release Authorization and Facility and Service Account Information Forms, page 60	Instructions for Utility Forms	Revised the flow of the instructions to reflect the process of filling out the forms and updated screenshots based on the November 2015 forms posted in the Proposition 39 website. No content changes were added.
Chapter 4, Instructions for the Energy Savings Calculators, page 68- 69	Energy Savings Adjustments	Explanations on lighting, HVAC, and plug load energy savings adjustments were clarified.
Chapter 4, Instructions for the Energy Savings Calculators, page 83- 86, 93-98	Energy Savings Calculators	Revised instructions for ECM 11 and 12 calculators to accommodate wall-mounted AC and heat pump units. In addition, instructions to new calculators for CFL to LED replacement, window replacements, cool roof installations, roof insulation installations, and transformer replacements were added.
Chapter 6, Information Required for Power Purchase Agreement Application, page 107	Power Purchase Agreements	Deleted PPA size limitations. Added clarifying language throughout chapter.
Chapter 7, Instructions for the Annual Progress Report, page 119 Chapter 8, Instructions for Final Project Completion Report, page 137	Annual and Final Reporting	The “Annual and Final Reporting” section has been deleted from Chapter 2. Chapter 7 and 8 has been added to the handbook. These chapters details instructions on completing the Annual Progress Report and the Final Project Completion Report, respectively.
N/A	Frequently Asked Questions (FAQs)	Appendix B, FAQs section was deleted and incorporated into a separate document entitled Frequently Asked Questions (FAQs) which is located in the Proposition 39 website.
