**Attachment to Form 801
Transition Platform Workshop
Lille France
November 5-7, 2019**

Section 2: Describe the entity's business activity or its nature and interests.

The Under2 Coalition is composed by state and regional governments committed to keeping global temperature rises to below 2 degrees centigrade. California is a member of the Under2 Coalition and one of the founding members. The Climate Group is the administrator for the Under2 Coalition and it will pay for Mr. Uy's air travel and lodging costs during the workshop period.

Section 3.2: Specific description of the payment and its agency purpose and use.

Kevin Uy, Mechanical Engineer in the Energy Research and Development Division at the California Energy Commission (CEC), will participate in the Industry Transition Platform (ITP) Workshop and address low carbon industry innovation challenges facing California's industries. This three-day workshop will bring project participants representing state and regional governments together. Mr. Uy will engage with a broad variety of stakeholders at the workshop and work together to share California's experiences and successes. He will also learn about other innovative technologies/strategies from other governments that can help California industries meet greenhouse gas reduction goals and stay competitive in the global market.

Travel Payment Information: The Climate Group is covering airfare and the costs during the workshop period from November 5-7 and this includes the night of November 4 and the night of November 7. The State of California will cover the cost for the night of November 3, all food and miscellaneous costs not covered by the workshop, and all ground transportation costs in Lille and Sacramento.
