

The following 4 pages are examples of the Base Map Background Layers that can be added to most of our map orders.

The Base map you choose will depend on what other layers will be displayed on your map.

Because of size constraints the following 4 pages are very **LOW RESOLUTION** examples only of the various types of Base Maps available.

Your printed map will be plotted out at a much **HIGHER RESOLUTION** & the PDF file sent to you will be a **HIGHER RESOLUTION** than the following images.

Our outgoing e-mail is limited to 6mb per file.

Should you need a higher resolution PDF file (Greater than 6mb) a CD can be mailed to you upon request.

We can accept Visa, MasterCard & Checks.

If you have any questions please call us on our map order line at 916-654-4182 or 916-654-3902.
