**NOTICE OF INTENT TO PREPARE AN ENVIRONMENTAL IMPACT  
STATEMENT FOR A GEOLOGIC REPOSITORY FOR THE DISPOSAL OF SPENT  
NUCLEAR FUEL AND HIGH-LEVEL RADIOACTIVE WASTE AT YUCCA  
MOUNTAIN, NYE COUNTY, NEVADA**

Thank you for the opportunity to review and comment on the Yucca Mountain Nuclear Repository Notice of Intent. We believe a Traffic Impact Analysis needs to be performed in order to assess the potential impacts to the Transportation System for all nuclear waste hauling scenarios, and to identify the proposed mitigation to those impacts. For additional input, we plan to attend the October 24, 1995 scoping meeting. We will comment either at the scoping meeting and/or in writing prior to the end of the comment period, which is December 6, 1995. If you have any questions, please call me at (619) 872-0658.

Sincerely,

A handwritten signature in cursive script that reads "Dennis Manning".

DENNIS MANNING  
Associate Transportation Planner
