Dear Mr. Marshall,

Thank you for the opportunity to meet to discuss the potential impacts on Inyo County and the State of California from a nuclear repository at Yucca Mountain. Inyo County feels that support from your agency is vital to ensuring the safety of our citizens and the protection of our natural environment and groundwater resources. Enclosed you will find information about the County's drilling and groundwater monitoring programs. Please contact me at the Yucca Mountain Repository Assessment Office if you have any questions. Thank you.

Sincerely yours,
