* "Unspecified sources of power" means electricity from transactions that are not traceable to specific generation sources.

** Percentages are estimated annually by the California Energy Commission based on the electricity sold to California consumers during the previous year.

*** The information and percentages provided by the power content label does not represent or imply any correlation with the California Renewables Portfolio Standard and its compliance measures. For more information on the California RPS program, visit www.energy.ca.gov/portfolio.

**** The REC Only energy resource refers to Renewable Energy Credits that were purchased by a retail seller and does not represent actual generated electricity.

For specific information about this electricity product, contact the **Modesto Irrigation District**. For general information about the Power Content Label, contact the California Energy Commission at 1-844-217-4925 or www.energy.ca.gov/consumer.
