Jason,

I wanted to discuss the Verification Report with you. We would like to get at least one item fixed that we saw in the final draft. Specifically, on page 23, in Table 10, our 2003 Total Retail Sales is shown as 72,963,394 MWh. On Page 25, Table 15, our 2003 Retail Sales is shown as 70,617,000 and our 2004 Retail Sales is shown as 72,963,394. We agree with the values shown in Table 15. We think the value in Table 10 needs to be corrected. Please let me know if this is something that can be corrected. I have tried to call a couple of times.

Thanks,

Gary

RPS Verification Report

Attached to this email is the Renewables Committee Final Draft RPS Verification Report, which states the IOUs' Initial Baseline Procurement Amounts and reports progress towards the 2004 and 2005 Annual Procurement Targets. This report will be up for adoption at the Energy Commission's May 23rd Business Meeting. Also attached to this email is a notice that provides information on the May 23rd Business Meeting.

If you have any comments or questions about the report, please let me know.
