

**Pacific Gas and  
Electric Company**<sup>®</sup>

## **New Solar Homes Partnership Training Workshop**

**Workshop Date:** Monday, April 11, 2011  
**Workshop Time:** 9AM – 4:00PM  
**Workshop Location:** Pacific Energy Center  
851 Howard Street  
San Francisco, CA 94103

**Pacific Gas and Electric Company** will be conducting a New Solar Homes Partnership (NSHP) workshop in San Francisco on April 11, 2011. This is a great opportunity for builders, solar retailers, and contractors to learn more about the NSHP program eligibility requirements and application process in order to participate in the NSHP.

The NSHP is a ten-year, \$400 million solar program which provides incentives for the purchase and installation of photovoltaic (PV) solar systems on new, energy-efficient homes built in California.

This workshop will include:

- NSHP eligibility requirements
- Application and payment process and required documents
- Additional incentive available for energy efficiency
- Online web tool – submitting applications electronically
- NSHP CECPV calculator
- Application clinic – help with specific projects

### **Who should attend:**

- Solar Contractors, Retailers and Installers
- Builders/Developers
- HERS Raters
- Energy Consultants

Please note that seating is limited and registration is required. Please register with Maggie Dimitrova by e-mail at [mddk@pge.com] before **April 7, 2011**. The following information should be provided when registering: Participant's Name, Company Name, Title, E-Mail, and Phone Number. A detailed agenda will be sent to participants a week prior to the training workshop.

**An application clinic will be held the last hour of the workshop. The application clinic will allow workshop participants to meet one-on-one with NSHP staff and discuss specific applications. Space is limited and an appointment must be scheduled prior to the event. If you would like an appointment for the NSHP application clinic, please indicate this in your email when registering.**
