San Diego Gas & Electric and Southern California Edison will be conducting workshops on the New Solar Homes Partnership (NSHP). This is an opportunity for all interested parties to learn more about the NSHP and recent changes to the program, the application process, and the NSHP online application tool.

The NSHP program is a ten-year, \$400 million solar program which provides incentives for the installation of photovoltaic (PV) solar systems on new, energy-efficient homes built in California's investor-owned electric service territories.

This workshop will be taught by NSHP staff and will include information on the following topics:

- NSHP Guidebook, Fourth Edition
- Application and payment process, and required documents
- Overview of the California Advanced Homes Program (CAHP)
- NSHP energy efficiency requirements
- NSHP Online Application Tool – submitting applications and payment claims electronically
- NSHP CECPV calculator
- NSHP application clinic (for in-person attendees by appointment only)

### **Who should attend:**

- Solar Retailers and Installers
- Homeowners, Builders / Developers
- HERS Raters
- Energy Consultants

We strongly encourage interested parties to attend NSHP training workshops in person.

For those who are unable to attend in person, WebEx online meeting services will be available.

**Seating is limited and registration is required. Please R.S.V.P. to the Renewable Energy Office by e-mail to [renewable@energy.state.ca.us]. The following information should be provided when registering: Participant's Name, Company Name, Title, E-Mail, and Phone Number. Please specify which event you would like to attend and indicate if you will be participating in person or through web conferencing.**

**An application clinic will be held the last hour of the workshop. The application clinic will allow workshop participants to meet one-on-one with NSHP staff and discuss specific applications. This application clinic is only available to those individuals participating in person. Space is limited and an appointment must be scheduled when signing in at the event.**
