Notice of Joint Workshop on Implementation of the Electric Program Investment Charge Program

California Energy Commission staff, Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southern California Edison Company (SCE) will conduct a workshop to share progress on Electric Program Investment Charge (EPIC) investments related to distributed energy resources (DER) integration. In addition, this workshop will contribute to ongoing coordination and understanding among administrators, parties, and the California Public Utilities Commission (CPUC); raise awareness and visibility of EPIC investments; and promote EPIC program transparency. Commissioners from the California Energy Commission and the California Public Utilities Commission may also attend.

The workshop will be held on:

Tuesday, August 18, 2015
 Beginning at 9:00 a.m.
 San Diego Gas & Electric Company
 Energy Innovation Center

Background

In Decision (D.) 12-05-037, the CPUC requires the four EPIC Administrators to consult with interested stakeholders no less than twice a year, both during the development of each investment plan and during its execution. D.15-04-020 requires one of these two annual workshops to be an EPIC Innovation Symposium intended to achieve the following: share progress, results, and future plans; improve coordination and understanding among administrators, parties, and the CPUC; raise awareness and

visibility of EPIC investments; and, promote program transparency. The four EPIC administrators plan to hold the first EPIC Innovation Symposium later in 2015.

D.12-05-037 (Ordering Paragraph 15) requires EPIC Administrators to provide notice of these biannual meetings to the parties on the service list of R.11-10-003 and any subsequent related proceedings.

Public Comment

The public is invited to provide comments during the workshop. Any comments may become part of the public record in this proceeding [12-EPIC-01].
