

RESOLUTION NO 2008-009

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHINO, CALIFORNIA, ADOPTING AN ADDENDUM TO THE PRESERVE SPECIFIC PLAN – CHINO SPHERE OF INFLUENCE – SUB-AREA 2 CERTIFIED EIR FOR PRESERVE SPECIFIC PLAN AMENDMENT NO 2007-02, GENERAL PLAN AMENDMENT NO 2007-02, AND AGRICULTURAL CONTRACT CANCELLATION NO 38.

WHEREAS, the City of Chino certified the Environmental Impact Report (EIR) for the Preserve Specific Plan – Chino Sphere of Influence – Sub-Area 2 (SCH # 2000121036) on March 25, 2003, and

WHEREAS, the City, in compliance with the California Environmental Quality Act (CEQA), has prepared an Addendum (dated January 9, 2008) to the certified Preserve Chino Sphere of Influence – Subarea 2 Final Environmental Impact Report (SCH# 2000121036), herein referred to as the "Addendum", which serves as the foundation document for the environmental review; and

WHEREAS, the proposed project includes the approval and/or adoption of Ordinance No. 2008-02, Resolution No. 2008-010, Resolution No. 2008-011, and Resolution No. 2008-012; and

WHEREAS, the Planning Commission of the City of Chino reviewed and held a public hearing on February 13, 2008 concerning the proposed project, and has recommended the City Council adopt the Addendum; and

WHEREAS, the City Council of the City of Chino held a public hearing on March 4, 2008, on the Addendum and proposed project; and

WHEREAS, all provisions of the California Government Code, Chino Municipal Code, and Preserve Specific Plan related to the proposed project have been complied with, including noticed public hearings; and

WHEREAS, the City Council has completed its study of the Addendum; and

WHEREAS, following said public hearings, the City Council of the City of Chino has considered and clearly established the following findings of fact:

1. The City has prepared an Addendum (dated January 9, 2008) to the certified Preserve Chino Sphere of Influence – Subarea 2 Final Environmental Impact Report (SCH# 2000121036), as none of the conditions specified in Government Code Section 15162 calling for the preparation of a subsequent EIR have occurred.
2. The Addendum will be attached to the certified Preserve Chino Sphere of Influence – Subarea 2 Final Environmental Impact Report (SCH# 2000121036).
3. The Addendum has been considered with the certified Preserve Chino Sphere of Influence – Subarea 2 Final Environmental Impact Report (SCH# 2000121036) during review of and prior to making a decision on the proposed project.

- 4 An explanation of the decision not to prepare a subsequent EIR has been included in the Addendum, and this explanation is supported by substantial evidence.

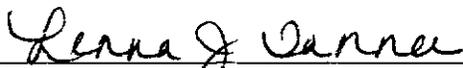

NOW, THEREFORE, BE IT RESOLVED, the City Council of the City of Chino adopts an Addendum for Preserve Specific Plan Amendment No. 2007-02, General Plan Amendment No. 2007-02, and Agricultural Contract Cancellation No. 38.

APPROVED AND ADOPTED THIS 4TH DAY OF MARCH 2008
