Dated: November 1, 2012

Contemporaneously with the filing of this Notice of Availability, the California Energy Commission is filing with the California Public Utilities Commission (“Commission”) the Application of the California Energy Commission for Approval of Electric Program Investment Charge Proposed 2012 through 2014 Triennial Investment Plan, dated November 1, 2012 (“Application”). The Application significantly exceeds 50 pages and 3.5 megabytes in size.

Pursuant to Commission’s Rules of Practice and Procedure Rule 1.9(d), a party may serve a Notice of Availability in lieu of the document to be served if the entire document, including attachments, exceeds 50 pages or 3.5 megabites in size. In addition, Rule 1.10 indicates that “[t]he total size of a single e-mail message and all documents attached to it may not exceed 3.5 megabites.”

The California Energy Commission is serving this Notice of Availability on interested parties in lieu of the electronic file of the Application in accordance with Commission Rule 1.9 (d). The Application was posted on November 1, 2012 on the California Energy Commission’s website in a readable, downloadable, printable, and searchable format. To access the Application, please go to the following web page:
