

Agenda for California Energy Commission Vehicle-Grid Integration Roadmap Workshop

Tuesday, October 8, 2013

9:30 am Pacific

CALIFORNIA ENERGY COMMISSION

1516 Ninth Street

Hearing Room A

Sacramento, California

Wheelchair Accessible

Purpose: The California Energy Commission, in conjunction with the California Independent System Operator, seeks to gain feedback from stakeholders on a draft Vehicle-Grid Integration Roadmap outline. In addition, the California Energy Commission seeks to gather updates from stakeholders since the last California ISO workshop on this topic, and gather input on related barriers, research needs, and related activities.
