RESPONSE:

Provided in Attachment 36-1 is Article 40, Historical Resources from the City of Escondido's Zoning Ordinance. Provided in Attachment 36-2 is a draft San Diego County Ordinance concerning historical resources titled "An Ordinance Adding Section 396.7 to the San Diego County Administrative Code Relating to the San Diego County Local Register of Historic and Archaeological Resources."

These two documents indicate local jurisdictions' policies and requirements with respect to historical sources. Please note that the San Diego County Ordinance is in draft form and has not been officially adopted by the San Diego County Board of Supervisors.
