To: Commissioner Jeffrey D. Byron, Presiding Member  
From: Richard Knox, Project Manager  
Subject: SES Solar Two, LLC (08-AFC-5) Project Status Report #4

Dear Commissioner Byron,

Pursuant to the Committee Scheduling Order dated December 3, 2008, the following is the Stirling Energy Systems, Inc. (SES) Status Report #4 for the proposed SES Solar Two, LLC project.

The Bureau of Land Management (BLM) and California Energy Commission (Energy Commission) staff, on June 18, 2009, submitted Data Requests Set 2, Part 2 (#142-155) to SES.

Data Requests #142-150 required additional fieldwork to provide further information concerning the cultural resources inventoried within the project area. On July 6, 2009, SES submitted formal letter to request additional time to complete our responses. Given the project size and current summer conditions, necessary fieldwork and other associated tasks will require additional time. SES is working with their consultants and Agency staff to provide the cultural inventory necessary for staff assessments for their determination.

Responses to Data Requests #151 – 155 for the technical area of Public Health and Safety was submitted on July 7, 2009. All other Data Responses for the Data Requests submitted by the Energy Commission, BLM and Intervenors have been submitted.

We would like to thank both the California Energy Commission and the Bureau of Land Management for being both responsive and patient with the Applicant as we continue towards our final submittals.

Respectfully Submitted,

Kimberly S. Whitney (on behalf of Richard Knox, Project Manager)  
Associate Project Manager  
SES Solar Two, LLC
