Volume 2 – Appendix O – Civil Engineering and Civil Design

Summary: Appendix O contains design codes, standards, laws, and ordinances for the civil engineering, and civil design of the project. It also includes information on the geotechnical investigation.

Proceeding: This Appendix O references the Solar Two Power Project AFC, Volume 2, Appendix O, filed with the California Energy Commission on June 30, 2008. This application (08-AFC-5) was deemed Data Adequate by the California Energy Commission on October 8, 2008.

Relevance: The SES Solar One project will utilize the same civil engineering and civil design criteria as will be utilized in the SES Solar Two project. The design standards will be the same. Members of the public that desire to learn detailed information on the structural engineering design criteria can refer to Appendix O of the SES Solar Two AFC.

This incorporation by reference is requested pursuant to 20 CCR (a) (2).
