STATE OF CALIFORNIA

State Energy Resources Conservation and Development Commission

In the Matter of:)	
)	
CARLSBAD ENERGY CENTER PROJECT)	Docket No. 07-AFC-6
_____)	REQUEST FOR REVISED
)	PRELIMINARY STAFF ASSESSMENT

Intervener Power of Vision, supports the City of Carlsbad’s motion to request that the Committee (a) compel the California Energy Commission staff (Staff) to issue a revised Preliminary Staff Analysis (“PSA”), and (b) to revise the project schedule giving time to allow Applicant, Staff and the public time to evaluate the impacts of the I-5 widening project. A revised PSA would evaluate the almost-certain unavoidable adverse visual cumulative impacts resulting from the construction of the Carlsbad Energy Center Project (CECP) and a Caltrans project and would allow for meaningful public input on that evaluation prior to the issuance of a Final Staff Assessment

DATED: January 22, 2009
