CARLSBAD ENERGY CENTER PROJECT

DOCKET No. 07-AFC-6

COMMITTEE ORDER RE: STATUS REPORTS

On October 31, 2007, the Application for Certification (AFC) for the above-mentioned proceeding was deemed data-adequate for the twelve-month review process prescribed in Public Resources Code section 25540.6. The Committee conducted a public Informational Hearing on December 17, 2007, to discuss the schedule and other issues of concern. A Committee Schedule was issued on January 2, 2008.

The matter has not progressed in the time projected in the Committee Schedule where by the Preliminary Staff Assessment was to be filed in April 2008 and the Final Staff Assessment in May 2008. We are now in October and do not have either document.

In order that we may update the Schedule, we **Order** the parties to file status reports and recommend a new Schedule as follows:

October 24, 2008: Staff files its status report and proposed schedule.

November 3, 2008: Other parties file their status reports and comments or alternatives to the Staff's proposed schedule.

Dated October 14, 2008, at Sacramento, California.
