Subject: March 30, 2007 Email from Intervenor Emerald Farms Regarding Meetings

Based on the attached communication from Intervenor Allen Etchepare (Emerald Farms) indicating that the concerns he expressed in his March 30 Email message have been addressed to his satisfaction, the Committee will consider the matter resolved and will not take further action.

As a housekeeping matter, please note that the telephone numbers for Mr. Etchepare contained in the order granting his petition to intervene are incorrect. The correct numbers are 530-438-2133 (voice) and 530-438-2762 (fax).

Paul,

I spoke to Allen regarding this issue. He is currently satisfied after he spoke to Mr. Caswell. Please continue to use my email address as the official address but please copy him at ale@efarmsmail.com.

Thanks for your help.

Jean

Thanks.

To be clear then, there are two questions:

- In light of the Staff's April 4 Status Report and the amended report filed April 6, specifically Staff's response to his concerns about unnoticed meetings, tell me whether that response and Mr. Caswell's conversation(s) with him have addressed his concerns. If so, we will take no further action regarding his request to Presiding Member Geesman.

- Does he wish to continue to use this (your) email address as his official address?

Paul

Paul,

We did receive those emails. He wasn't aware he needed to respond.

I will talk to him when he comes in the office.

Jean

The emails I spoke of were those that I sent to you at this address, including a resend of the attachments as you requested. This was the address he listed on the Petition to Intervene. Does he wish to change that official address? Others will be using it to serve various documents.

Do I need to resend it again?

Paul

Paul,

You called today because Allen had not responded to an email you sent. He did not receive any email from you. Please send it again. His email address is ale@efarmsmail.com.

Thanks,

Jean
