Contact John Kessler, Project Manager at jkessler@energy.state.ca.us or by telephone at 916-654-4679

Primary Topics

Staff plans to focus discussions on the topics and issues identified in the Preliminary Prehearing Conference Statements filed by the parties and any subsequently-received comments received prior to the workshop. Staff and applicant plan to discuss the following topics, and any others of interest to the parties, agencies or the public:

- Air Quality
- Hazardous Materials Management
- Worker Safety and Fire Protection
- Land Use
- Waste Management
- Soil & Water Resources
- Traffic and Transportation
- Alternatives
- Biological Resources
