) Docket No. 01-AFC-12
Application for Certification for the Los Esteros)
Critical Energy Facility (aka, the Los Esteros Critical)
Energy Facility Phase I))

PETITION FOR OWNERSHIP CHANGE

Pursuant to California Code of Regulations, Title 20, Section 1769(b),¹ Calpine Corporation hereby petitions the Commission for a change of ownership approval for its Los Esteros Critical Energy Facility project (the “Project”), Docket No. 01-AFC-12. Currently, the owner is listed on the Commission’s website as Calpine C* Corporation. We request that the owner of the Project be changed to Los Esteros Critical Energy Facility, LLC.

This petition will clarify the record regarding the ownership of the Project. The clarification is necessary in part because in various documents the Project ownership has been referred to as “Calpine C* Corporation,” “Los Esteros Critical Energy Facility,” and “Calpine Corporation.” Calpine Corporation has dissolved its fully-owned subsidiary, Calpine C* Corporation. Thus, the owner of the Project is now Los Esteros Critical Energy Facility, LLC, a wholly-owned subsidiary of

Calpine Corporation. There will be no operational changes to the project.

Pursuant to Section 1769(b)(1)(B), Los Esteros Critical Energy Facility, LLC continues to be responsible for compliance with the Commission's conditions of certification for the Project. As the owner and operator of the Project, Los Esteros Critical Energy Facility, LLC understands the conditions of certification and agrees to comply with them.

Pursuant to Section 1769(b)(1)(C), as an officer of Los Esteros Critical Energy Facility, LLC, I hereby attest, under penalty of perjury, under the laws of the State of California, that the contents of this Petition are truthful and accurate to the best of my knowledge and belief.
