

Appendix E – Site Constraints PowerPoint Slides

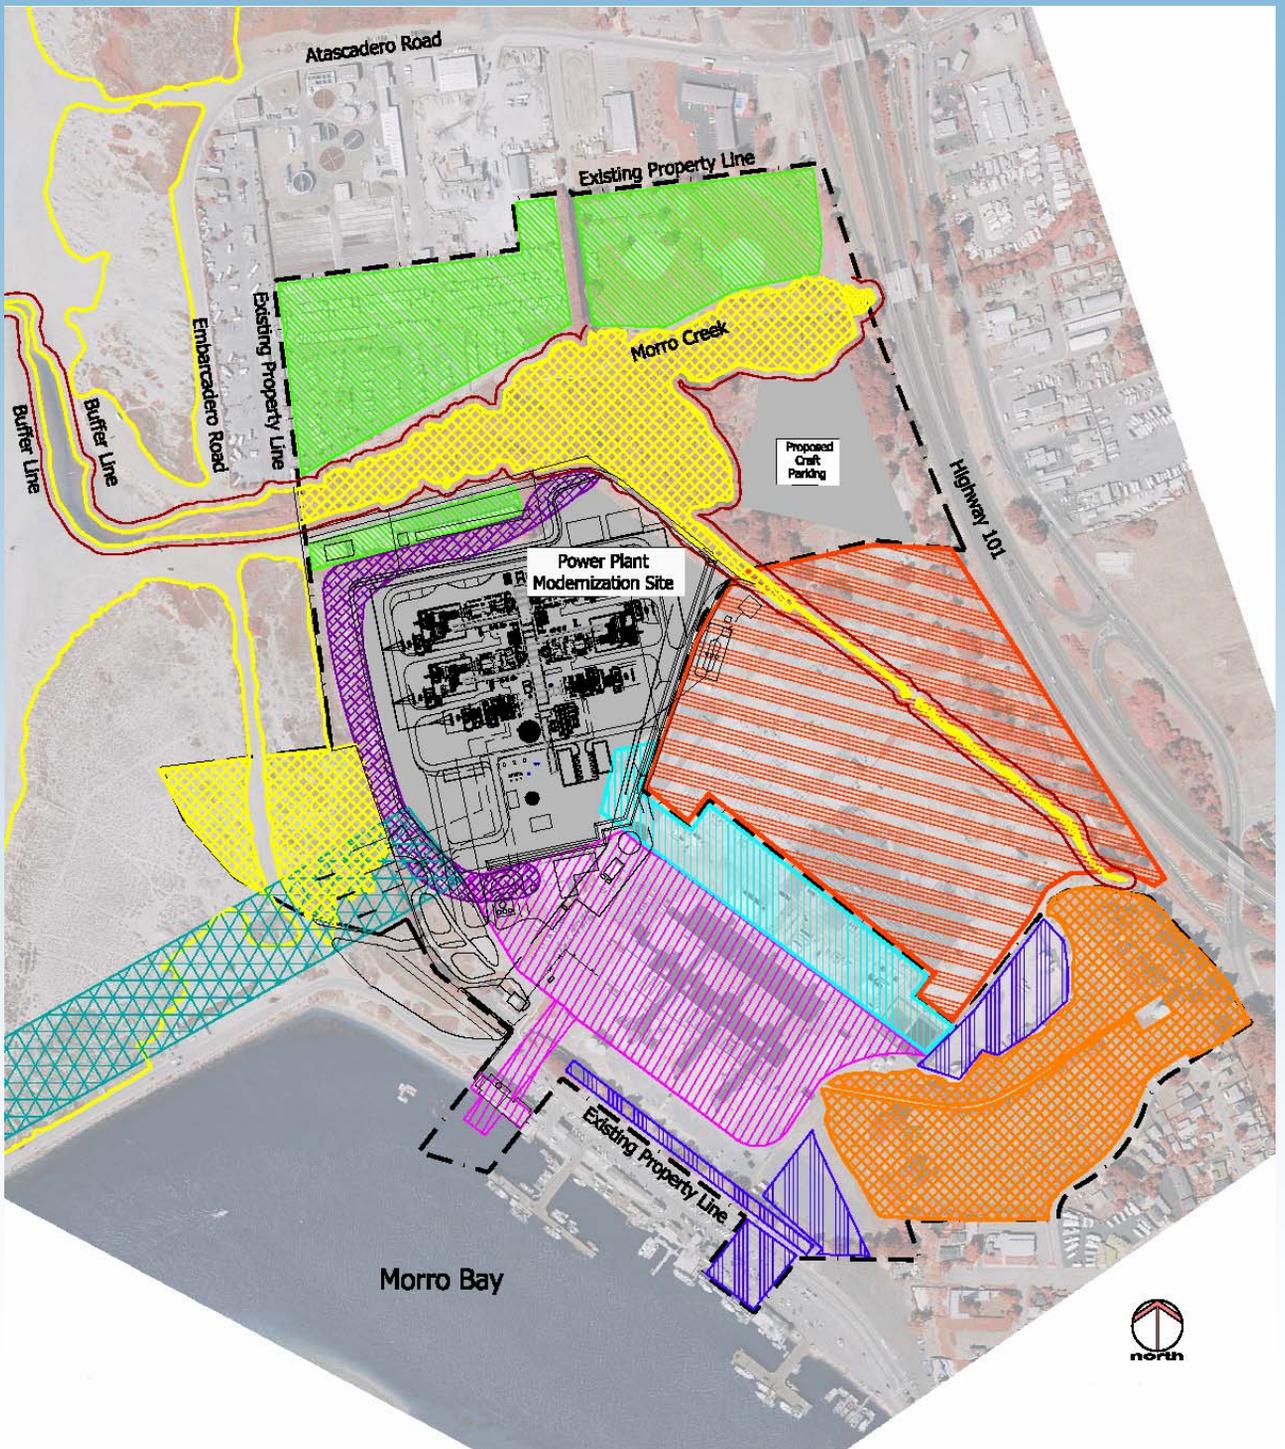

Site Constraints

Available Land

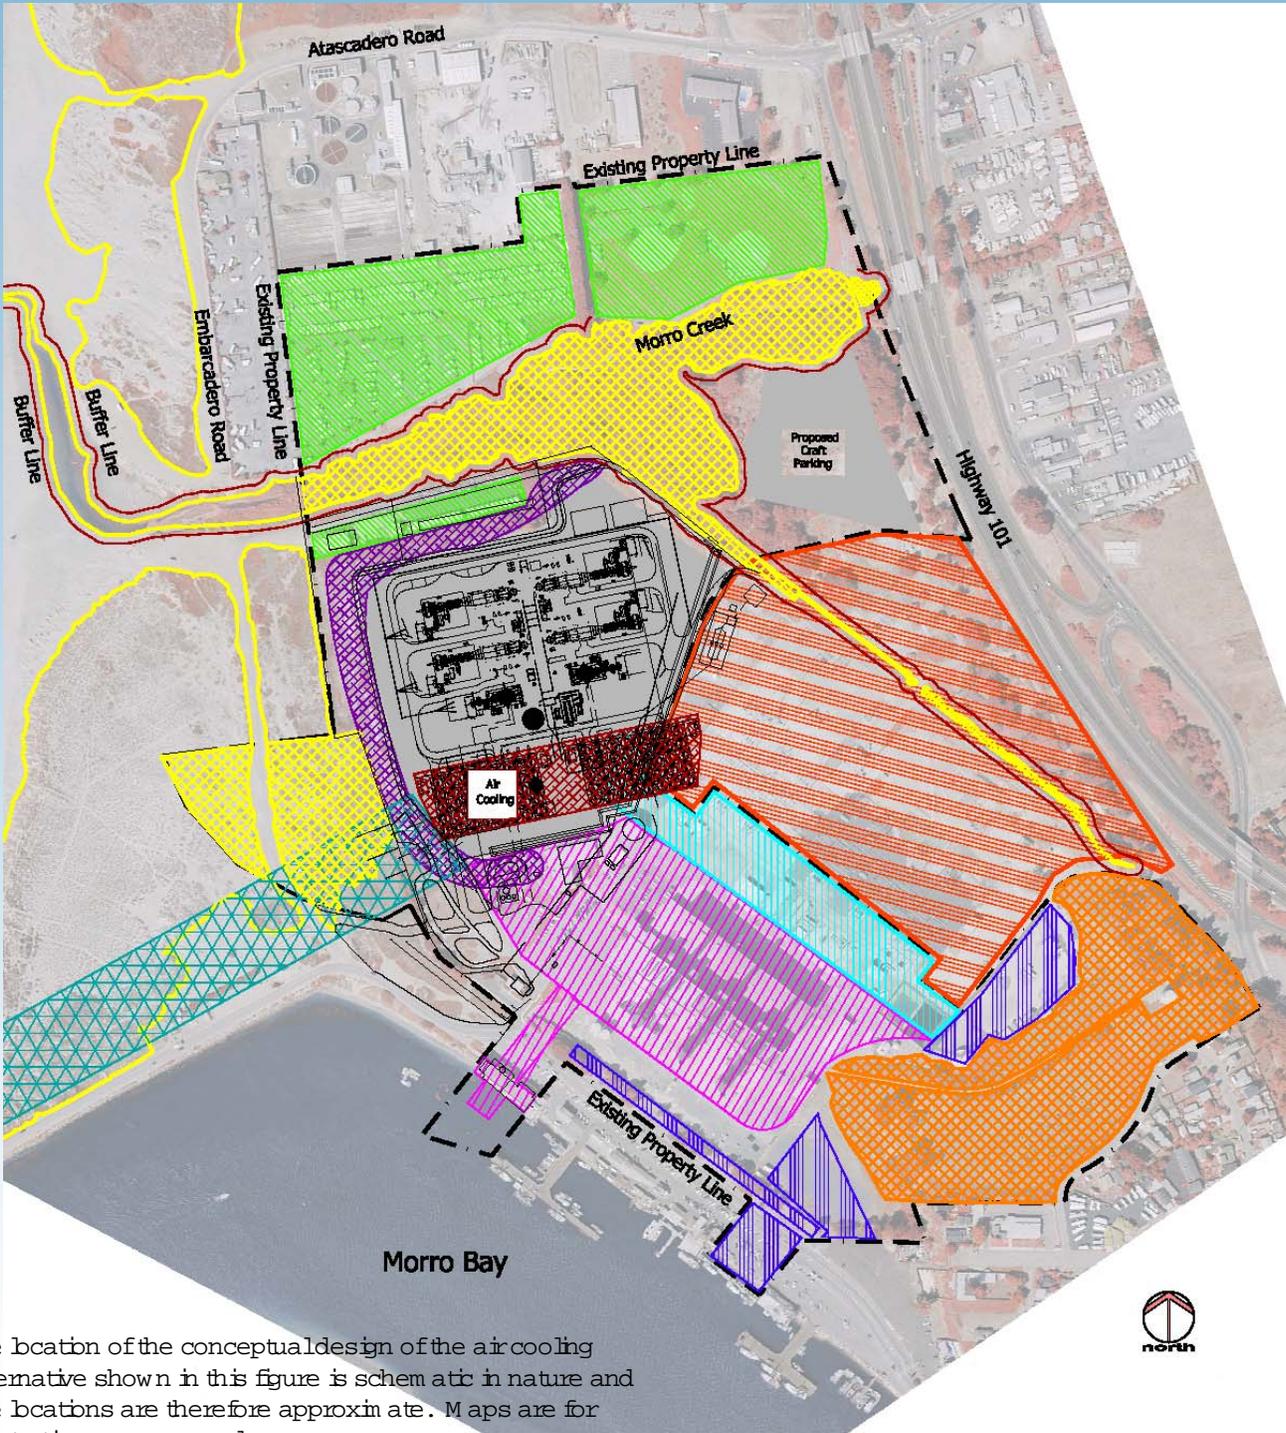

Site Constraints

Proposed Plant Location

Site Constraints

Land Required for Air Cooling System

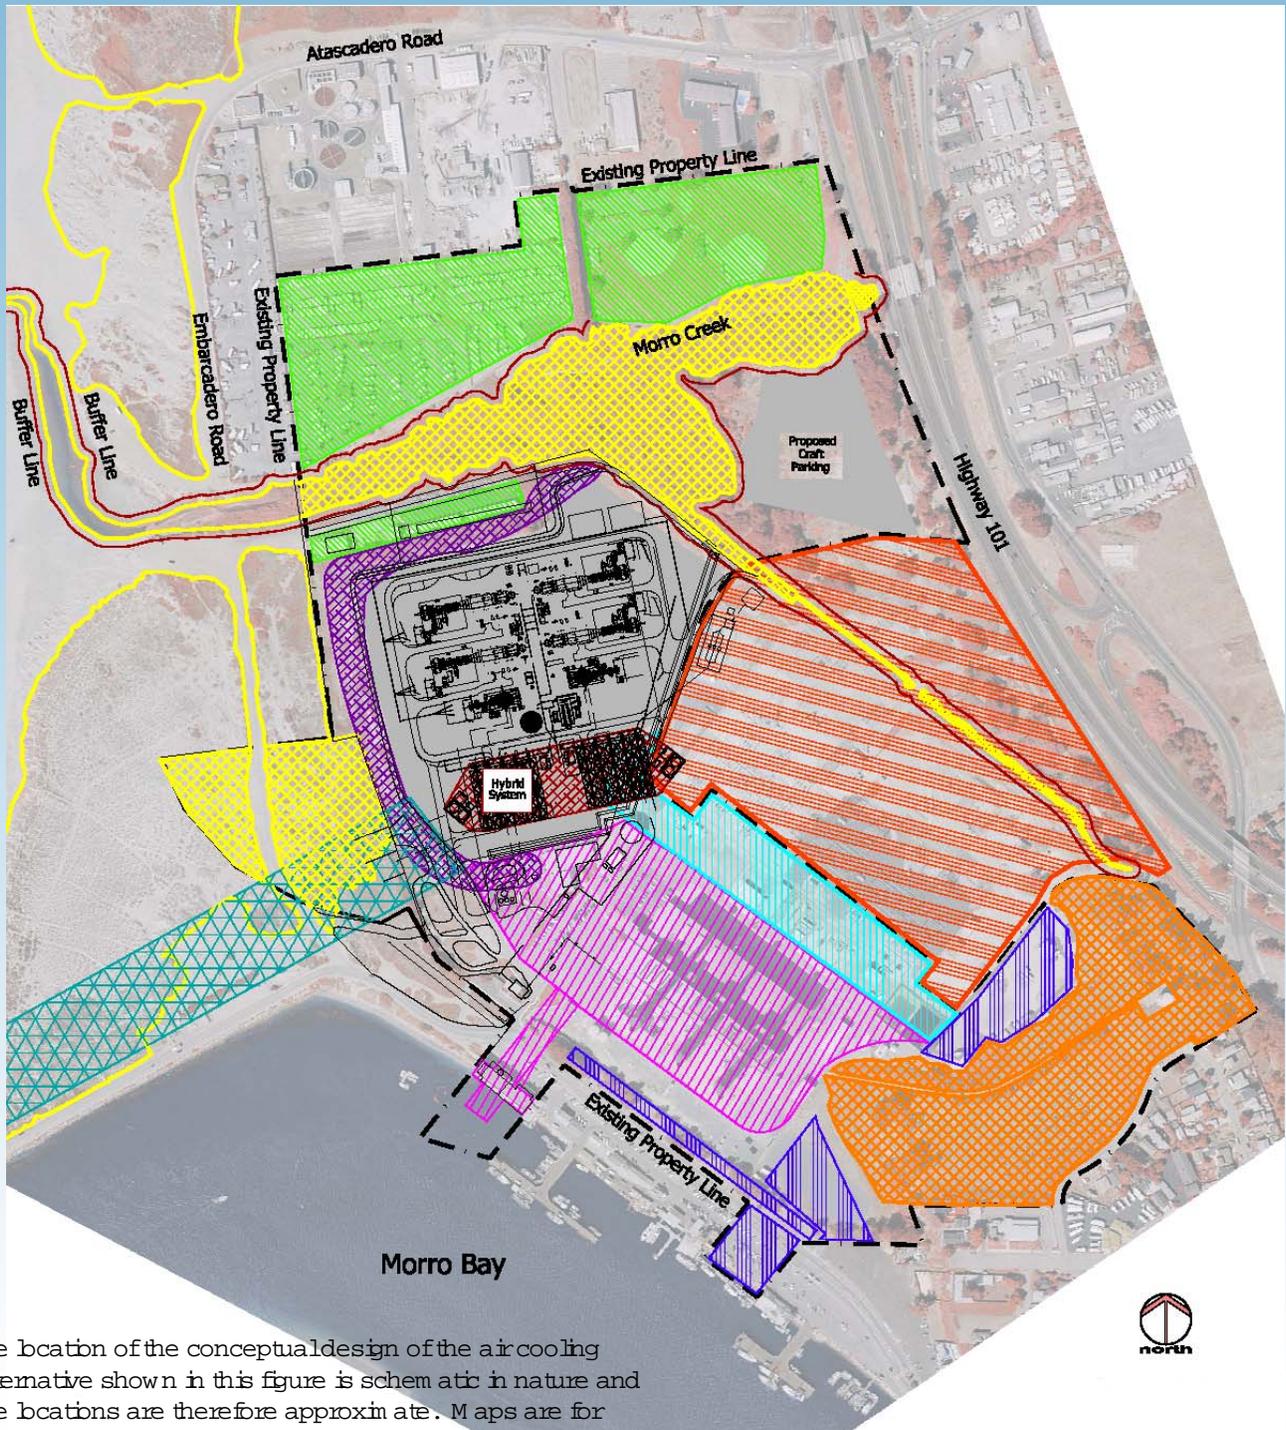

Note The location of the conceptual design of the air cooling alternative shown in this figure is schematic in nature and the locations are therefore approximate. Maps are for illustrative purposes only.

Site Constraints

Land Required for Hybrid Cooling System

Note The location of the conceptual design of the air cooling alternative shown in this figure is schematic in nature and the locations are therefore approximate. Maps are for illustrative purposes only.

Opportunities and Constraints Summary Map
