

**PALOMAR ENERGY PROJECT (01-AFC-24)  
CEC STAFF DATA REQUEST NUMBER 39**

**Technical Area: Cultural Resources**

**Response Date: April 8, 2002**

**REQUEST:**

Please provide copies of the letters of contact originally sent to Native American representatives and their responses, including telephone conversation records if only verbal responses were received. Please provide copies of any maps or other attachments that were included with the letters.

---

**RESPONSE:**

Copies of the letter requesting input from the Native American Heritage Commission, as well as copies (including attachments) of letters requesting input that were sent to interested Native Americans, were provided as part of the Data Adequacy Responses submitted to the CEC in February 2002. Attachment 39-1 includes copies of additional correspondence with interested Native Americans, and telephone conversation record forms of contacts with interested Native Americans.
