

**PALOMAR ENERGY PROJECT (01-AFC-24)
CEC STAFF DATA REQUEST NUMBER 105**

Technical Area: Visual Resources

Response Date: April 8, 2002

REQUEST:

If screen walls are to be included in the Proposed Project under Mitigation Measure VIS-3, please add the screen walls to the visual simulations of the Proposed Project and provide four sets of high quality 11"x17" color photocopies of the simulations.

RESPONSE:

Current plans would not involve the use of screen walls at the Palomar site.
